**Diamonds Bring Rewards for Concrete Polishing Professionals**

Adairsville, GA – June 1, 2009 – Eagle Solutions is happy to launch a rewards program that means real money to concrete polishing contractors whether they are already a customer or not. Their new website [www.EagleDiamondClub.com](http://www.EagleDiamondClub.com) explains the details and allows for easy sign-up.

Some of the rewards include:

- Eagle gift pack
- Estimating worksheet that closely figures expenses for concrete polishing
- Year end rebates based on the volume of purchases
- Free aluminum Frankfort style adaptor plates (for diamond attachment to Eagle grinders)
- Discounts on equipment
- Entry in contests for equipment give-a-ways

Eagle Solutions launched this new rewards program because they wanted to encourage all grinding and polishing contractors to try their diamond tooling. Eagle product designers and engineers have spent years working to create diamond tooling that would out perform any other pad on the market. They have succeeded in producing diamond pads that can last up to 40,000 sq ft each depending on the machine used, operator experience and individual slab. Eagle diamond pads can be used on a variety grinding and polishing equipment like SASE, Blastrac, On-Floor, Husqvarna and others.

Eagle Solutions has been a key manufacturer of propane powered floor maintenance equipment since 1989. They long have had a reputation for well-built industrial equipment and customer loyalty.

## WELCOME TO THE EAGLE DIAMOND CLUB

Join now to save substantial money on your concrete grinding and polishing diamond tooling this year. Everyone is free to join and save money.

### How it works:

- Sign up here. You will receive a confirmation email.
- Place your order online.
- At the end of the year you will receive a rebate credit based on the level you have reached.

### Each purchase counts towards your annual rebate and bonuses as follows:

- \$1,000 receive an Eagle gift pack
- \$10,000 receive Eagle's highly sought after estimating worksheet that will help you closely figure expenses on your next job - thus saving you money.
- \$25,000 receive a 1% year end rebate.
- \$50,000 receive a 2% year end rebate, \$500 free diamond plates, 5% discount on one WA27 or SP30.
- \$75,000 receive a 3% year end rebate, \$750 free diamond plates, 7.5% discount on one WAV27 or SP30.
- \$100,000 receive a 5% year end rebate, \$1000 free diamond plates, 10% discount on one WA27 or SP30.

**Everyone reaching the \$10,000 level will also be entered to win a WA27 through a random drawing!**

Are you currently buying Eagle concrete diamond pads? Join the club and your previous purchases this year will be added to your total purchases so you can qualify for higher rebates.
