

January 15, 2010

Dear Valued Customer,

As of January 14, 2010, David R. Walker (original Founder and Owner) purchased the assets of *Eagle Solutions Acquisitions LLC* from bankruptcy. Due to the bankruptcy and liquidation of *Eagle* we feel that the “*Eagle*” name has been damaged to the extent that it would be hard to overcome the barriers that resulted. So it’s for this reason that we will be re-opening under a new name-

With this name change comes more changes, **AWESOME CHANGES**. Our plans are to manufacture a limited line of Eagle Brand products Propane Buffers, Trackers, Chemicals & Concrete Grinders/Polishers. Each of these items will be brought back to the original standards and the quality that you had come to appreciate.

“Our plans are simple, to design and perfect the best propane equipment out there.”

An entire new line of *Concrete Grinders/Polishers* will be released late February/March of 2010. These machines are truly Professional Grade and have been designed for the heavy duty work they perform. STONEKOR’s *Concrete Grinders/Polishers* have the ability to be aggressive in grinding but also will provide the illustrious polish level that your customers desire.

Along with creating ***Quality Products*** and just plain ***Good ‘ole fashion Customer Service*** is and will be a core attribute of our team because when YOU succeed we succeed.

Our new team will consist of a familiar face to the industry; JR Haines will be our Senior Sales Associate. Together, David and JR make a great team! Combined, they possess over 60 years of experience and continue to be in the select group of leaders.

We will be located at 6450 Joe Frank Harris Pkwy in Adairsville Georgia. Our mailing address will be Post Office Box 443 Adairsville, Georgia 30103. And the phone numbers will remain the same being (800) 633-0519 (770) 773-3875 and (Fax) 770-773-9903.

We look forward to renewing and building a successful relationship with you!
